Fingerprint cards are available at law enforcement agencies. You may download the fingerprint card at this web address: <http://www.fbi.gov/hq/cjisd/pdf/fpcardb.pdf>

Submit the form(s) to the DABC with a processing fee of:

In the case of an undue delay in the processing of an F.B.I. criminal background check, here are the rules and procedures for obtaining a third-party national background check: An application that requires F.B.I. criminal history background report(s) may be included on a commission meeting agenda, and may be considered by the commission for issuance of a license, permit, or package agency if:

- 1). the applicant has completed all requirements to apply for the license, permit, or package agency other than the department receiving the F.B.I. criminal history background report(s);
- 2). the applicant attests in writing that he or she is not aware of any criminal conviction of any person identified in the application that would disqualify the applicant from applying for and holding the license, permit, or package agency;
- 3). the applicant has submitted to the DABC the necessary fingerprint card(s) required for the application and consented to the fingerprint criminal background check(s) by the F.B.I.
- 4). the applicant at the time of application supplies the department with a current criminal history background report conducted by a third-party background check reporting service on any person for which an F.B.I. background check is required; and
- 5). the applicant stipulates in writing that if an F.B.I. report shows a criminal conviction that would disqualify the applicant from holding the license, permit, or package agency, the applicant shall immediately surrender the license, permit, or package agency to the department.

A suggested attestation/stipulation letter that satisfies the above requirements is enclosed.

A third-party national criminal background check can be obtained by;

- searching the yellow pages under Background Screening
- searching the internet under Background Screening or Background Checks

Because the DABC is State Agency, we cannot recommend any one background screening service over another. It is your responsibility however, to obtain the most complete, nationwide, criminal history available for the application process.

Sales Tax Information for Liquor License Holders

The prices of liquor, wine, and heavy beer at the liquor stores and package agencies do not include sales tax. The sales tax is added at the cash register when members of the general public shop in a liquor store or package agency and bring their purchases to the cash register. License holders (licensees) that make purchases at the cash register will be charged sales tax just like the general public.

Licensees may purchase liquor from the department without paying the sales tax under these two conditions:

1. The licensee must file tax commission form TC-721 with the DABC. A copy of this form is included in this application packet. Once filed, the licensee can buy liquor, wine, and heavy beer exempt from sales tax at any DABC owned and operated state liquor store. If the licensee buys from a local package agency that is a "contracted store" (not owned or operated by the DABC), the licensee has to file form TC-721 with the package agency in order to be able to purchase "sales tax exempt"; *and*
2. The licensee must adhere to the liquor order procedures established by the DABC commission as follows:
 - (a) Commission rule requires that orders must be placed in advance to allow department personnel sufficient time to assemble the order. The order shall include the business name of the licensee, department permit number, and list the products ordered specifying each product by code number and quantity. The order may be telephoned or faxed to the store or agency.
 - (b) The licensee shall allow at least four hours for department personnel to assemble the order for pick-up. When the order is complete, the licensee will be notified by phone and given the total cost of the order. The licensee may pay for the product in cash, company check, cashier's check, or debit card with a PIN.
 - (c) The licensee or the licensee's designee shall examine and sign for the order before it leaves the store, agency or satellite warehouse to verify that the product has been received.
 - (d) Merchandise shall be supplied to the licensee on request when it is available on a first come first serve basis. Discounted items and limited items may, at the discretion of the department, be provided to a licensee on an allocated basis.

The following licensees and permittees qualify to buy tax exempt:

- full-service restaurants
- limited restaurants
- private clubs
- airport lounges
- on-premise banquet licensees
- holders of single event permit, public service permits and educational special use permits that buy for resale
- holders of religious wine permits

Each licensee or permittee will be responsible for collecting the sales tax on the liquor, wine and heavy beer they resell and remitting the tax directly to the State Tax Commission.
